

Presentation Photographs

Did you know that we photograph every graduate as they are presented with their award on stage?

Presentation photographs are only \$17.50 each for a 7x5" print in a display folder or you can get four prints of the same graduate, each in a display folder for \$55.

Larger prints are also available, for example 12x8" prints are \$55 each.

Every studio portrait package we offer also includes one **free** 7x5" presentation photograph.

Presentation photographs may be ordered from our counter at the Students Association following the graduation procession back to campus. You can also order at any time after graduation by post, fax or phone.

Simply get an order form at our counter on graduation day or visit our website.

Our website address is www.graduation.co.nz

All presentation photographs carry our satisfaction guarantee. In the unlikely event that there is a problem with your photograph (you may have blinked for example) we offer a full refund of your money.

Graduation Portraits

 **LINTON PHOTOGRAPHY**

The Official Nelson Marlborough Institute of
Technology Graduation Photographers

About Us

Linton Photography have been selected as the Official Graduation Photographers for your graduation.

We have been photographing graduations since 1994 and have the skills and ability to create graduation portraits that you and your family can be proud of.

We are so confident that you'll love the results that we offer a **satisfaction guarantee**.

Sittings versus Packages

Traditionally photographers have charged a sitting fee (which is often quite low), then at a later date you are shown the proofs at which time you have to pay more for the prints, the full costs of which you often aren't made aware of at the time of the sitting. Sound familiar?

We have taken steps to make graduation portrait photography less confusing;

First we have **'no surprises' print prices**. We're happy to show you our full sitting and print price list in advance so you know what the full costs are.

Secondly, we offer a **range of packages** that combine some of the most popular sitting and print combinations all in one set price.

Packages start from only \$90 including everything; the sitting, post production, prints, delivery and GST. See the back page of this brochure for full pricing details.

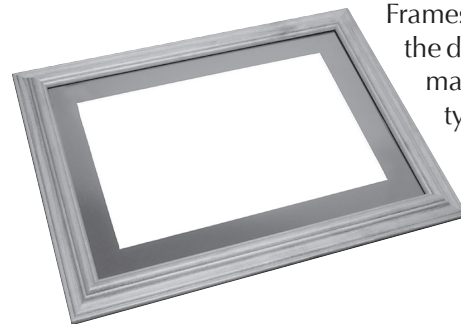

You aren't limited to being photographed by yourself. You can be photographed with any combination of your family or friends. Full pricing is provided overleaf.

Award Frames

We can frame your award instantly on graduation day at the Students Association following the graduation procession back to campus.

Our frames are hand made in New Zealand at our studio. They feature a natural timber finish with a navy mat board surround.

Frames are only \$49 on the day, similar custom made frames would typically cost \$70 to \$90.

Formal Portraits

Portraits are photographed in a studio with traditional painted canvas portrait backgrounds using professional studio lighting and camera equipment that is operated by qualified professional photographers.

Sessions are available at a studio that will be set up on the NMIT campus on graduation day at the Students Association after the graduation procession back to campus.

Bookings are recommended for sessions, see below for details of how to book.

The Graduate Package includes two 7x5" prints in display folders and a free 7x5" presentation photograph, all for \$90.

The Family Package includes two sittings, one of the graduate and one of the family with two 7x5" prints in display folders from each sitting and a free 7x5" presentation photograph, all for \$140.

Each package is also available a "Plus" option with the addition of an 12x8" print of each session.

Booking

We will be shooting graduation portraits on graduation day. Many graduands find it more convenient (and less stressful) to have their portrait taken at a booked time.

Sessions at **booked times** are available on the **graduation day** at a studio that will be set up on the NMIT campus.

You can **book now at a time that suits you**. Simply go to the Enrolment Office in A Block at NMIT to reserve a session time.

Portrait sessions without booking are also available **after the ceremony at the Students Association building** on the NMIT campus without a booking. Simply come to our stand in the Students Association foyer following the graduation procession back to campus.
