

# Open Day Activities (10am - 2pm)

## Applied Business

### Applied Business K Block

Chat to our friendly business team, meet our tutors, and also watch a rolling display of micro-business talks. There is also an opportunity for you to meet employers who can introduce you to real career paths waiting for you after you graduate!

## Creative and Digital

**Animation & CGI** Ground floor, G Block  
View students' work with an interactive animation display.

**Arts & Design** G119, Ground floor, G Block  
Learn letterpress techniques and create your own card design to take home.

**Information Technology** Ground floor, G Block  
Dismantle and rebuild computers or make your own mini game using Pixel Power.

**Music** Johnny Cash Room, Ground floor, G Block  
Explore the music suite and our live performance venue - let your musical passion imagine all the creative possibilities in these spaces.

## Engineering and Trades

**Automotive Engineering** Automotive Workshop, E Block  
Roll up your sleeves and change a wheel. Experience the thrill of hands-on action in our workshop!

**Aviation Engineering** Aviation Hangar, E Block  
Step into our hangar and get hands-on with real aircrafts. Discover the thrill of aviation engineering up close!

**Civil Engineering** G122 Lab, G Block  
Design and build your own bridge! Learn what Civil Engineering is all about.

**Construction** E Block  
Jump into a fun, hands-on construction challenge with our expert tutors!

**Mechanical Engineering** Engineering Workshop, E Block  
Explore our engineering workshop with tours of our machinery.

## English Language

**English Language** Library (M Block)  
Talk to our tutors to see how we can make learning English fun and help you progress to other NMIT programmes or find employment.

## Foundation Pathways

**Foundation Pathways** F Block  
Join us for a chat about how to reach your goals with personalised support.

**Supported Training Schemes** R Block  
Meet the tutors and view the classrooms.

## Health and Wellbeing

**Beauty Therapy** T213, T208, T Block  
Reveal your skin's beauty with advanced light technology that uncovers what lies beneath the surface.

**Hairdressing** T112, T114, T Block  
Learn hot tool styling and view a variety of hairdressing services being performed in our on-campus salons.

**Fitness** Astro Turf  
Join in the fun games and activities in the sports zone. Chat to our tutors and meet the Nelson Giants and Tasman Makos.

**Nursing** A401, A411, A Block  
Discover multiple Nursing scenarios, simulator and laboratory work in our high-tech facilities.

**Social Sciences (Counselling, Social Work, Professional Supervision)** L211, L218, L Block  
Try our interactive social work and counselling skills practice activities, and watch the informative presentation.

## Maritime

**Maritime** E Block, Lifeboat Outside D Block  
Test out the Maritime simulator in E block and take a look at our lifeboat outside D block. *Please book the simulator at the library on the day.*

## Mātauranga Māori

**Mātauranga Māori** Te Toki Pakohe, Outside D Block  
Join the team for a Kōrero and Kēmu outside D Block.

## Primary Industries

**Aquaculture** Library (M Block)  
Join a tour to the aquaculture laboratories and facilities. Interact with our fish and other marine animals. *Please book your tour at the library on the day.*

**Conservation** Outside M Block  
Experience hands-on trapping props, and discover the essential role of predator management in preserving New Zealand's ecosystems.

**Horticulture** Outside M Block  
View and purchase spring vegetable seedlings propagated by our Level 3 students! Chat with tutors and learn about studying horticulture.

**Viticulture & Winemaking** T Block  
Immerse yourself in viticulture with our sensory experience, interactive wine board, and learn about turning your passion into a career.

Nau mai, haere mai  
**NMIT OPEN DAY**

**SATURDAY 13 SEPTEMBER**

### SANITI Student Association

Library (M Block)

SANITI is your independent student association and is a registered charity, owned by students. While having close ties with NMIT, we are completely independent, unbiased and confidential in our support. We play a crucial role in enhancing the overall student experience.

**saniti.co.nz**

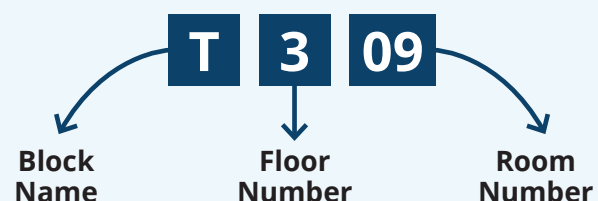

**SANITINZ**

## Open Day Hub

**Where:** Library, M Block off Alton Street  
Chat with our friendly team about NMIT Open Day.

## Understanding Locations

# Why NMIT?

91% NMIT learner satisfaction

**Student Success**  
At NMIT, our goal is to ensure you graduate work ready and confident in your knowledge and skills to step into a successful career. Our wrap-around support services guide you through the process of learning — teaching you skills for life, and ensuring your wellbeing is supported so you can focus on achieving your goals.

## Support Services | Library (M Block)

**Te Puna Manaaki**  
The team at Te Puna Manaaki provides culturally grounded, holistic support for our ākonga Māori & Pasifika. Here to help our ākonga thrive and feel at home on campus.

**Accesibility Support**  
Making study at NMIT accessible to all learners. The Accessibility Support team creates individual plans to help our learners succeed while recognising their unique needs.

**Academic Support**  
Study smarter with personalised academic support and skills workshops. Get individual or group support with academic writing, research, time management, and study skills.

**Wellbeing Support**  
Confidential support and access to free counselling. The Wellbeing Team at NMIT is here to support your learning and life journey with practical tools for managing your wellbeing.
