"The approach to study at NMIT is way more practical than what I have seen in the past, you notice in the courses that there is a real link to industry. Most tutors have an industry background rather than just academic experience. The small campus at NMIT means that you often meet the people you are studying with, outside of the classroom. At the start of the semester, we did a team project, those teammates became friends when we started seeing each other outside of class."

Peter Daebel, Germany,
Master of Applied Management

Student services

Admissions and Enrolments Centre

The Information and Enrolment Centre provides centralised processing of applications, enrolments, re-enrolments, insurance, withdrawals, transfers and refunds for students. They can be contacted at international@nmit.ac.nz.

Nelson arrival

Nelson Airport is 8km from the city centre and NMIT's Nelson campus. You can reach the city by bus, taxi, or Uber; we recommend booking your transport before you arrive.

For tips on local transport options, visit: students.nmit.ac.nz/arrivals-and-regional-transport

Campus orientation

When you arrive at NMIT, you'll meet a Learner Success Advisor to help you settle into life in Nelson and your studies. They'll provide a campus tour, introduce you to key staff and support services, and help connect you with wellbeing support if needed.

You'll also receive a local area orientation, showing you where to find essentials like doctors, pharmacies, banks, supermarkets, and more.

Your orientation session will also cover:

- What to expect in class
- How learning works in New Zealand
- Staying safe and healthy
- Emergency services and New Zealand law
- Connecting with community groups
- Driving regulations and car ownership

For ongoing, non-urgent support, you can contact the International Support team at any time: internationalsupport@nmit.ac.nz.

Wellbeing Team

NMIT's Wellbeing Team are on hand to assist you with the following:

- Adjusting to student life
- Connecting to people of your culture
- Balancing your study with work and family commitments
- Accessing professional counselling at no cost to NMIT students through vitae.co.nz and ocp.co.nz.

- Accessing community and government agencies
- Referring to health and medical professionals.

The Wellbeing team have an after-hours phone number so you can contact someone for wellbeing or pastoral care information at any time, day or night.

0800 718 277 or +64 3 546 2333
from outside New Zealand.

Academic Success Team

The Academic Success Team are here to assist you with your learning.

They are located in the libraries on the Nelson and Marlborough campuses. You can make an appointment to see them by emailing library@nmit.ac.nz.

The team offer one-to-one and group learning support sessions.

They will help you become an independent effective learner, and can help you with:

- Referencing skills
- Digital skills
- Academic writing skills
- Planning essays or assignments
- Research skills.

IT Support

NMIT provides you with an email address, campus wide WiFi, a personal login for computers on campus and IT help service. You can access assistance for all the usual IT requirements, such as logins, passwords and printing.

If you need IT support, you can call free from your mobile phone, or use one of the on-campus help phones. Contact 0800 NMIT IT (0800 664 848) or for non-urgent assistance email servicedesk@nmit.ac.nz.

This is in addition to IT Helpdesk Service station in the libraries.

Costs and budgeting advice

Before you begin your studies at NMIT, there are some important things you need to know about life as a student in New Zealand.

Budgeting advice

Ask for advice

You can contact the student association, SANITI for free independent advice.

Get a discount

With a Student Identity Card, you can get a range of discounts in local businesses from cinema tickets to food and clothes. See saniti.co.nz/discounts

Further support

New Zealand wants to welcome you and make sure you have the resources you need to enjoy your time here. Find out more about New Zealand wide support services at immigration.govt.nz/assist-migrants-and-students/assist-students and naumainz.studyinnewzealand.govt.nz

Working and study

As an international student in New Zealand your visa may allow you to work up to 25 hours a week and full time during the holidays.

The main purpose of a student visa is to allow international students to study full time in New Zealand. However, depending on your study programme you may have an opportunity to work while you study.

Many students find part time employment in the hospitality and service industries including restaurants, bars and supermarkets.

In New Zealand there are laws to protect workers, and this includes international students. Find out more about your rights and responsibilities working in New Zealand at immigration.govt.nz.

For those eligible to work, the following websites can be very helpful:

- seek.co.nz
- trademe.co.nz
- sjs.co.nz (Student Job Search).
- saniti.co.nz/employment

The current adult minimum wage rates (before tax) that apply for employees aged 16 or over are: NZ\$23.50 an hour, which is NZ\$587.50 for a 25 hour week, or NZ\$940 for a 40 hour week.

Helpful information

Immigration New Zealand

The type of visa you will receive depends on the duration of your study. Please refer to Immigration New Zealand's website for further information.

Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand, and can be viewed on their website at immigration.govt.nz.

Medical and travel insurance

International students, including groups of students, must have appropriate and current medical and travel insurance while in New Zealand.

NMIT will automatically arrange insurance cover for all students. See insurancesafenz.com/studentsafe/student-safe-inbound-learners

Students may choose their own insurance company, however it must comply with the minimum standards required by The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. If you arrange your own insurance cover, you must supply your Certificate of Insurance and Schedule of Cover, in English, to the Information and Enrolment Centre before the programme start date, email international@nmit.ac.nz. Once the insurance policy is evaluated and confirmed as meeting the minimum standards required by the Code of Practice, the policy taken out by NMIT on behalf of the student will be cancelled with the insurance fees refunded to the student.

Insurance cover must be to the length of your visa.

Code of practice

NMIT is bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies of the Code are available on request from us or www2.nzqa.govt.nz/tertiary/the-code/

Dispute resolution

NMIT is your first point of contact for any complaint you have, including any complaint about the international agents/representatives we use.

If a complaint cannot be resolved by NMIT, then the international student Dispute Resolution Scheme (DRS) is a free process for students to resolve any contractual or financial disputes with education providers. The Ministry of Education is responsible for the scheme. Go to www2.nzqa.govt.nz/tertiary/the-code/the-code-for-learners/learner-complaints/

Eligibility for health services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at health.govt.nz.

Accident insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand but you may be liable for all other medical and related costs. Further information can be viewed on the ACC website at acc.co.nz.
