Master of Applied Management [123125]	07.09.23	07.09.23	17110	20 February 2023
Postgraduate Diploma in Applied Management [123129]				
Postgraduate Certificate in Applied Management [123132]				

Rationale for change/s

Rollover updates for 2023 delivery including cover note to advise that provisions of Te Pūkenga Te Kawa Maiorooro. As identified in the programme area's self-assessment process, the area has transitioned the majority of Postgraduate courses from 3 assessments to 2. This is response to ākonga, tutor, degree monitor and external moderation feedback. Effective assessment of the learning outcomes is highly achievable within 2 assessments, and they are redesigning and pre-moderating new assessments prior to delivery.

Description of changes:

Programme Regulations:

- Cover note added to advise that the provisions of Te Pūkenga Te Kawa Maiorooro | Educational Regulatory Framework replace the NMIT Academic Statute.
- The Te Pūkenga Ākonga Concerns and Complaints Policy replaces the NMIT Formal Complaints Resolution Procedure.
- The Te Pūkenga Ākonga Appeals Policy replaces the NMIT Student Academic Appeals Procedure.
- Other NMIT policies and procedures modified to align with Te Kawa Maiorooro
- S34 Ākonga Research minor update to reflect current process for supporting research and align with Policy and Procedure wording

Course Descriptors:

• **IBS804 Managing in a Globalised World** Error correction in document. Ebs assessment changes made in line with 3v6 dated Nov 2021, but course descriptor not updated to reflect reduction from 3 assessments to 2

Maritime Operations – Skipper Restricted Limits	07.09.23	07.09.23	15103	1 January 2023
Dette webs for allowing for				

Rationale for change/s

Unit standard 12310 is no longer meeting the requirements of the programme for Skipper Restricted Limits. The increase from 2 to 5 credits in the current version 6 (from 20 hours to 50 hours of learning) makes it too large for the programme and difficult to meet the other learning outcomes. Award of the qualification NZ Certificate in Domestic Maritime Operations (Restricted Limits) (Level 4) leads to the award of the Skipper Restricted Limits Certificate of competency from Maritime New Zealand; MNZ do not require unit standard 12310 for this licence. Ākonga assessed against the learning outcomes continue to meet all Graduate Profile Outcomes mapped to this course and MNZ licencing requirements.

Description of changes:

• Course EXT302 Fire Extinguisher Training and Fire Prevention. Remove optional unit standard 12310, Demonstrate knowledge of fire prevention and limitation and extinguish small fires on-board a vessel.

• Version change to 15103

Programme Regulations:

• S2.7 Schedule of Changes and Appendix 1 Graduate Profile and Assessment Map – remove US12310

• Course Descriptors: EXT302 Fire Extinguisher Training and Fire Prevention (and EXT302A self-funded) - remove US12310						
New Zealand Diploma in Engineering (Level 6)	07.09.23	07.09.23	15105	17 July 2023		
Rationale for change/s						

Type 1 change, to follow changes by VEE.NZ (previously NZBED) National Curriculum Document, to version 5 (Sept 2022). Te Pūkenga have processed a Type 2 change for all divisions with accreditation to deliver the NZDE L6 (programme number 118501); this will become the unified programme. VEE.NZ will cease to exist on November 30th and qualification ownership will go to Te Pūkenga or the WDC.

Description of changes:

Type 1 changes to follow Type 2 change by VEE.NZ (previously NZBED) National Curriculum Document, V5 (Sept 2022).

- DEC421 now DEC528 Civil Materials: raised to L5, name change, change to course aim, changes to LOs, changes to indicative content, change teaching hours/learner managed hours from 90-60 to 75-75, assessment changes
- DEC422 now DEC529 Land Surveying 1: raised to L5, change teaching hrs/learner managed hrs from 90-60 to 75-75
- DEC523, name change to DEC530 Fluid Mechanics (Civil)
- DEC524 now DEC531 Highway Engineering 1: change to course aim, changes to LOs, changes to indicative content, assessment changes
- DEC622 now DEC630 Highway Engineering 2: change to course aim, changes to LOs, changes to indicative content, assessment changes
- DEC526 now DEC632 Structures 2: change to level (raised to L6, co-requisite removed, change teaching hours/learner managed hours from 90-60 to 75-75, change in course aim, change to LOs, change to indicative content, assessment changes
- DEC623 Traffic Engineering: change recommended pre-requisites and co-requisites

Programme Regulations:

- Version change to 15105
- Update section 4.4 Completion requirements to reflect changes of courses
- Update from NZBED to VEE.NZ, including structure update of VEE.NZ.
- Remove NZBED logo, insert VEE.NZ logo.
- Change Version 4.1 of VEE.NZ document to Version 5

63/23 RESOLVED that the Course and Programme Changes be endorsed.

Chanelle Taylor / Pam Woods CARRIED

4 Te Pūkenga

4.1 Transition

It was noted:

- Transition conversations are continuing to increase including those with ACLS
- Te Poari Akoranga have approved the template which Business Divisions will use to summarise their Academic Committee key points and potential risk.
- A number of business divisions have ceased their Academic Committee although they may have subcommittees operating.

4.2 Unified Programmes

- 4.2.1 New Programme Summaries tabled for approval
 - a. NZC Marine Engineering Class 6 (Level 4) Unified
 - b. NZC Marine Engineering Class 5 (Level 5) Unified
 - c. NZC Domestic Maritime Operations (Restricted Limits) (Level 4) Unified
 - d. NZC Maritime Crewing (Level 3) with a strand in Superyacht Crewing Unified
 - e. NZC Construction Trade Skills (Level 3) Unified
 - f. NZC Mechanical Engineering (Level 3) Unified

It was noted that:

- NMIT have been actively engaged in the consultation process for these programmes.
- As programmes are not currently approved enrolments will be on to old programmes until approvals received.
- Courses will be 100% portfolio assessment.
- Fees are still to be determined.
- Potentially edits could still come from WDCs and NZQA.

64/23 RESOLVED that the New Programme Summaries for NZC Marine Engineering Class 6 (Level 4) Unified, NZC Marine Engineering Class 5 (Level 5) Unified, NZC Domestic Maritime Operations (Restricted Limits) (Level 4) Unified, NZC Maritime Crewing (Level 3) with a strand in Superyacht Crewing Unified, NZC Construction Trade Skills (Level 3) Unified, NZC Mechanical Engineering (Level 3) Unified be approved

- 5 Reports from Committees and Working Parties
 - 5.1 CARTL Graduation Readiness Summary Report tabled for information It was noted:
 - For Marlborough graduation Tuesday 12 December 2023:

- RCM minutes for ākonga completing qualifications in 2023 to be uploaded to Sharepoint for approval by 28 November 2023.
- Awards for ākonga completing qualifications in 2023 to be uploaded to Sharepoint by 4 December 2023.
- For Nelson graduation Friday 15 December 2023
- RCM minutes for ākonga completing their qualifications in 2023 to be uploaded to Sharepoint by 30 November 2023.
- Awards for ākonga completing qualifications in 2023 to be uploaded to Sharepoint by 6 December 2023.
- Other results can be processed slightly later but will need to be available for ākonga to ensure they are able to continue 2024 study.
- An information meeting will be scheduled for Academic Administrators, BSCs, PTLs and CAMs.
- Graduates not attending graduation will be able to collect their awards from 18 December 2023.

Outstanding course results as at 11 October 2023 It was noted:

- The increasing number of outstanding results and the need to monitor these more closely.
- Any outstanding results required for ākonga finishing their qualification at the end of the year could jeopardise their award being approved in time for graduation.
- Programme Areas need to ensure that outstanding results are cleared within the next couple of weeks.
- Weekly outstanding results reminders will be sent to the Academic Administration team.
- 5.2 Academic Standards + Quality Committee The minutes of the Academic Standards + Quality Committee Minutes Meetings of 19.9.2023 and E-Meetings of 2to4.10.2023 were received.
- 5.3 Recognition of Academic Credit Committee The minutes of the Recognition of Academic Credit Committee Meetings of 14.8.2023, 19.9.2023 and E-Meetings of 26.7.2023, 30.8.2023, 11.9.2023 were received.
- 5.4 Learning and Teaching Committee The minutes of the Learning and Teaching Committee Meetings of 28.8.2023 were received.

6 Late Item

- 6.1 NMIT Ākonga Appeals Procedure tabled for discussion
 - Te Pūkenga Ākonga Appeals Policy tabled for information
 - Te Ohu Whakahaere Appeals May 2023 tabled for information

It was advised:

- The NMIT Ākonga Appeals Procedure, which will sit alongside the Te Pūkenga Ākonga Appeals Policy, was tabled for approval at the 12 October 2023 meeting.
- As quorum was not reached the procedure was then tabled for approval via e-vote.
- Quorum was met 18.10.2023 via e-vote; eight of the nine Members, who voted, approved the procedure.
- One Member voted not to approve the procedure noting that the "Appeals Panel has no Ākonga representative member, this should be a requirement."
- Following discussion between the Chair and the Member it was agreed that the procedure would be brought back to the Committee for further discussion.

The Member noted:

- Their belief in the importance of having ākonga representation on the appeals panel:
 - To address power imbalances
 - To have akonga at the centre of the process "where are we in the system"
 - For ākonga to see themselves on the panel
 - If following natural justice to have a panel of peers.

- That this was not a question of integrity but of the intention that ākonga are at the centre of the process.
- Just because it may be difficult doesn't mean it is not worth doing "how we can make this happen"

Discussion focussed on:

- To include the requirement to appoint ākonga to appeal panels in the NMIT Ākonga Appeals Procedure would be outside the requirements of the Te Pūkenga Ākonga Appeals Policy which does not have provision for ākonga as appeal panel members.
- The logistics of ākonga representation on the appeals panel learning/training, timeliness, the pool of ākonga available, the amount of work/time involved.
- NMIT has a strong learner voice and student association environment which may not be able to be replicated by other business divisions.
- Upholding the 18.10.2023 approval by the Academic Committee of the NMIT Akonga Appeals Procedure with an action to be taken by the Committee Chair to explore channels for raising concerns about the lack of akonga representation on appeal panels with Te Pūkenga.

Following discussion, it was agreed that:

- The 18.10.2023 approval by the Academic Committee of the NMIT Ākonga Appeals Procedure will be upheld.
- The Committee Chair to take an action to explore channels for raising concerns, with Te Pūkenga, about the lack of ākonga representation on appeal panels.
