Kia ora

Tēnā koutou katoa, nau mai haere mai ki Te Whare Wānanga o Te Taihū o Te Waka a Māui.
Welcome to NMIT. This is a place to grow your skills, your confidence, and your future. Choosing where to study is a big decision, and we're here to help you take that next step with confidence.

At NMIT, learning is personal. Our smaller class sizes mean you are known by name, supported by experienced tutors, and part of a learning community that genuinely cares about your success. Here you are not just another student in a lecture theatre. You are recognised as an individual with goals and potential.

Our programmes are built around practical, real-world learning – you'll apply your learning in workshops, laboratories, vineyards, kitchens, and workplaces. This hands-on approach ensures you graduate with the skills, confidence, and experience that employers value.

We are proud of our strong relationships with industry across Te Taihū and beyond. These partnerships shape our programmes, create opportunities for work integrated learning, and connect you directly with the sectors you aspire to join. Many of our students move straight into employment because they've already built meaningful connections during their study with us.

At the heart of NMIT is a commitment to manaakitanga. We believe learning thrives in an environment where people feel welcomed, respected and supported.

Our campuses are communities where students and staff work alongside each other, sharing knowledge, challenging ideas, and celebrating achievement.

Beyond the classroom, you'll enjoy the lifestyle that makes this region so special. From stunning coastlines and national parks to vibrant local communities, Te Taihū offers the perfect balance of study, work and recreation.

We invite you to explore our programmes, discover your passion, and join a supportive learning community committed to your success.

Disclaimer: The information contained in this Prospectus is correct at the time of production (August 2026). NMIT reserves the right to cancel or postpone any of the programmes, and shall not be liable for any claim other than the proportion of programme fees that the cancelled portion bears. Some programmes may be dependent upon formal approval from NZQA (New Zealand Qualifications Authority), TEC (Tertiary Education Commission) funding allocation, and the number of enrolments. As part of the NZQA targeted review of all Level 1-6 New Zealand qualifications, there may still be changes to some programmes. Fees, programmes, entry requirements, and dates, are subject to change. Please check the relevant programme pages at nmit.ac.nz for up-to-date information and full entry requirements before applying to enrol. Information regarding English language requirements is available on each programme page at nmit.ac.nz.

Why study with NMIT?

Start your study journey in the top of the South Island — one of the sunniest and most stunning regions in Aotearoa New Zealand. At NMIT, you'll find practical learning, personal support, and a direct path to your future.

Industry-ready skills

Gain the experience employers value through hands-on training, internships, and projects built in partnership with industry.

Globally-recognised qualifications

Our programmes are NZQA-approved and respected around the world. Employers help to create our courses and programmes, so you can be confident you're getting the right skills for the right jobs. Graduate with a credential you can take anywhere.

Pathways to employment

Our tutors bring global and industry expertise into the classroom, connecting you with internships, research projects, and placements that build real-world skills and open doors into your future career.

Warm, welcoming culture

One of New Zealand's most important values is manaakitanga — a Māori word meaning hospitality and kindness. At NMIT, you're more than a student. You're part of a whānau (family). Our team is here to support you every step of the way.

Stunning place to live

Enjoy a relaxed lifestyle surrounded by beaches, national parks, and friendly communities. Nelson and Marlborough offer the best of study and adventure.

Why study in New Zealand?

New Zealand's education system emphasises problem-based learning and global citizenship. Ranked first by EIU (Economist Intelligence Unit, 2019) among English-speaking countries, it focuses on vital skills like critical thinking, creativity, and collaboration for future readiness.

Work while you study

If you hold a student visa, you may be eligible to work up to 25 hours per week during your studies and full-time during scheduled breaks. This is a great way to gain local experience while supporting your lifestyle in New Zealand.

Work after graduating

Depending on your programme, you may be eligible to apply for a post-study work visa and remain in New Zealand for up to three years. This allows you to gain industry experience and kick-start your career after graduation.

Check your eligibility: immigration.govt.nz.

New Zealand quick facts

- Population of five million.
- Official languages: English (96%), Māori (4%) and New Zealand Sign Language (0.5%).
- Currency is the New Zealand Dollar.
- Leaders in social change: New Zealand was the first sovereign nation to grant women the right to vote in 1893.
- Leaders in student welfare: New Zealand was the first country to adopt a code of practice for the care of international students.
- New Zealand is the #1 English-speaking country at preparing students for the future. (*The Worldwide Educating for the Future Index (2019), Economist Intelligence Unit*).
- New Zealand is ranked second in the world for Human rights. (*Fraser Institute, Human Freedom Index, 2023*).

Nelson Campus

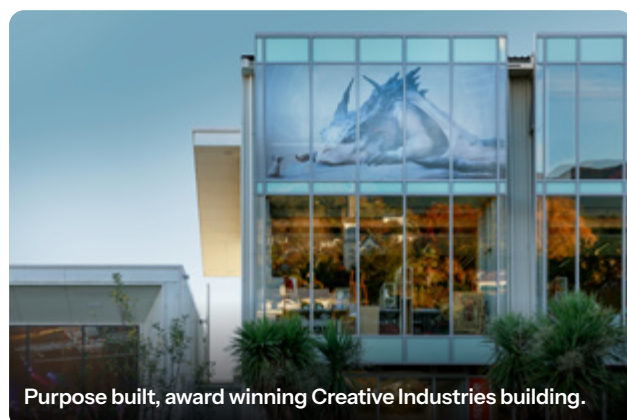

Nelson Campus, situated in the vibrant heart of Nelson, offers diverse programmes and modern facilities. It is a five-minute walk from lively parks, quirky cafés and galleries, providing students with a unique and convenient learning environment.

Take a virtual tour and explore more: nmit.ac.nz/nelson-campus

Nelson quick facts

- The regional economy includes food production (aquaculture, seafood, horticulture and viticulture) science, construction, maritime, tourism, arts and design, information technology, retail and services.
- Three national parks nearby; Abel Tasman, Kahurangi and Nelson Lakes.
- One of New Zealand's hubs of cuisine and the arts, with events throughout the year.
- City with the highest sunshine hours in New Zealand (*NIWA Annual Climate Summary, 2024*).
- Population of approximately 115,000 (includes the entire Nelson-Tasman area).

Purpose built, award winning Creative Industries building.

The International Maritime Institute of New Zealand, part of NMIT, has world class facilities including Kongsberg Marine Engineering and Navigation simulators.

Marlborough Campus

The friendly Marlborough Campus is nestled at the edge of the picturesque township of Blenheim, in the heart of New Zealand's stunning wine country. The serene beauty of the surroundings adds to the charm of our campus.

Take a virtual tour and explore more: nmit.ac.nz/marlborough-campus

Marlborough quick facts

- The country's most extensive wine growing region, renowned for its sauvignon blanc and an expanding range of varieties.
- Easy access to the picturesque waterways of the Marlborough Sounds, and ferry access to Wellington, the capital city of New Zealand.
- Population of 50,000, mostly in the township of Blenheim.
- Home to skilled artisans, and famous for its delicious seafood, fresh local produce, craft breweries and boutique vineyards.

New Zealand Wine Centre

The Marlborough Campus hosts the New Zealand Wine Centre — Te Whare ā Waina Aotearoa and the Marlborough Wine Research Centre.

Providing a hub of scientific expertise in viticulture and winemaking. NMIT students benefit from learning directly from these experts through lectures and hands-on research projects.

Learner Success Hub

Te Puna Mātauranga

Te Puna Mātauranga is the heart of our Nelson, Marlborough and Richmond campuses. When you study with NMIT, it becomes your one-stop hub for study support, where all our Learner Success teams are on hand to help you thrive. These vibrant spaces are ideal for focused individual study, group collaboration, relaxing or socialising.

A space to connect and grow

Te Puna Mātauranga is more than just a study space; it's a hub for connection, support, and engagement within the NMIT learning community.

Designed for all study styles, Te Puna Mātauranga offers quiet zones, group spaces, computers, photocopiers and expert help when you need it.

Library

The NMIT Library is your central hub for study and research resources. With locations in Nelson and Marlborough, plus 24/7 online access, you'll find everything you need to succeed – on campus or anywhere in the world.

Access a wide range of resources including:

Books, eBooks and academic journals, online databases for research across all subject areas, video and image libraries, course-specific resources and reading lists.

Search the full collection any time at library.nmit.ac.nz

International Student Support

The International Student Support team is here to help you feel welcome, safe, and supported throughout your studies.

They provide guidance on adjusting to life in New Zealand, understanding your rights and responsibilities, and accessing academic and wellbeing services. They are committed to the Education (Pastoral Care of Tertiary and International Learners) Code of Practice and encourage you to reach out whenever you need support. They also organise social and cultural activities to help you connect with others and make the most of your experience at NMIT.

Email: internationalsupport@nmit.ac.nz
Phone: 03 539 5146

Academic Success

The Academic Success Team are here to assist you with your learning.

They are located in the libraries on the Nelson and Marlborough campuses. You can make an appointment to see them by emailing library@nmit.ac.nz.

The team offer one-to-one and group learning support sessions.

They will help you become an independent effective learner, and can help you with:

- Referencing skills
- Digital skills
- Academic writing skills
- Planning essays or assignments
- Research skills.

NMIT BUDDY PROGRAMME NEW

Offer a warm and welcoming way to start your study journey. It connects new learners with friendly, experienced students who can offer guidance, answer questions, and help you feel at home on campus from day one.

Refugee International Support

This team provides personalised support, connects you with appropriate services, and advocates for equitable access and success.

Empowering students from refugee backgrounds to build confidence, achieve your goals, and feel a strong sense of belonging in your educational journey.

Email: learnersuccess@nmit.ac.nz
Phone: 03 539 5146

Careers Guidance & Employment Support

The Career & Employability Coordinator is here to support you at every stage of your journey.

To help you discover your strengths, build practical skills, connect with opportunities, and create CVs and applications that really stand out. Whether you're just starting out, looking for part-time work to complement your study, or preparing for your big next step, we've got you!

Email: kim.holmes@nmit.ac.nz
Phone: 03 546 3622

IT Support

NMIT provides you with an email address, campus-wide WiFi, a personal login for computers on campus and Information Technology (IT) help service. You can access assistance for all the usual IT requirements, such as logins, passwords and printing.

If you need IT support, you can call free from your mobile phone, or use one of the on-campus help phones. Contact **0800 NMIT IT (0800 664 848)** or for non-urgent assistance email servicedesk@nmit.ac.nz.

This is in addition to the IT Helpdesk Service station in the libraries.

 students.nmit.ac.nz

Wellbeing Support

NMIT's Wellbeing Team are on hand to assist you with the following:

- Adjusting to student life
- Connecting to people of your culture
- Balancing your study with work and family commitments
- Accessing professional counselling at no cost to NMIT students through vitae.co.nz and ocp.co.nz.
- Accessing community and government agencies
- Referring to health and medical professionals.

The Wellbeing team have an after-hours phone number so you can contact someone for wellbeing or pastoral care information at any time, day or night.

0800 422 733 or +64 3 546 2333
from outside New Zealand.

Graduating

Graduations are important days in NMIT's calendar.

The ceremonies are recognition of your achievement and hard work, combining academic formality with the celebration of you as a graduate, your families and friends.

NMIT have graduation ceremonies in Nelson and Marlborough.

Marine Biology & Aquaculture

Postgraduate Diploma in Sustainable Aquaculture (Level 8)	
	Nelson
	February
	1 year
	NZ\$30,985*
IELTS	6.5

This programme will give you the practical skills to build on your science degree knowledge. You will meet many people in industry and be able to take the skills you learn to work in aquaculture, here in our region and around the world.

Once completed, you can also pursue a Master's degree in Applied Science, Aquaculture through NMIT.

You will learn:

- Research Methods
- Sustainable Aquaculture Practices
- Sustainable Aquaculture Management

Refer to website for more information.

This programme consists of five months in class and a five month industry research project.

Career outcomes: Aquaculture production management, research technician, specialist roles such as health management, or feed management.

Academic entry: Science degree or equivalent professional experience.

Graduate Qualifications

Business

Graduate Diploma in Management (Level 7)	
	Nelson
	February, July
	1 year
	NZ\$23,947*
IELTS	6.0

You will learn:

- Organisational Behaviour
- Research Methods
- Project Management
- Strategic Management
- 30 credits of electives e.g. Human Resource Management or Operations Management
- Advanced Business Project

Use the Advanced Business Project course to specialise in your area of interest.

Career outcomes: Management role in chosen industry.

Academic entry: Bachelors degree in any discipline, or equivalent professional experience.

Information Technology

Graduate Diploma in Information Technology (Level 7)	
	Nelson
	February, July
	1 year
	NZ\$28,170*
IELTS	6.0

This programme provides comprehensive knowledge and training in the latest developments in computer technology.

Specialise in Networking or Software Development.

Career outcomes: Web designer, software engineer, network engineer, or computer programmer.

Academic entry: Bachelors degree in any discipline and evidence of IT competency at level 5 or above.

“The internship was a critical part of my studies,” says John. “It gave me real-world experience and a huge advantage over graduates from other universities who didn’t get that opportunity.”

“It’s very competitive in the bigger cities,” he says. “There are so many students trying to get internships, and not enough companies to take them on. But in Nelson, the ratio of IT companies to students seeking internships is much better.”

John Dao, Vietnam,
Bachelor of Information Technology

Bachelor's Degrees and Diplomas

Business

Bachelor of Commerce (Level 7) (Major in Marketing or Management)		Bachelor of Accounting (Level 7)	
	Nelson		Nelson

Ni Yunyi (Tina), China, Bachelor of Nursing

For details on entry requirements please refer to pages 34 and 35.

Marine Biology & Aquaculture

Bachelor of Aquaculture and Marine Conservation (Level 7)	
	Nelson
	February
	3 years
	NZ\$28,170* per year (NZ\$25,170 first year only with NZ\$3,00 Study Grant)
IELTS	6.0

- You will learn:
- Aquatic Life Support Systems and Animal Husbandry
 - Aquatic Biology
 - Aquaculture Principles
 - Te Tini a Tangaroa and Aquatic Ecology and Fishery Management
 - Environmental Management
 - Business Environment
 - Research and Communication Skills
 - Industry Practice
 - Health and Biosecurity Management
 - Aquaculture and Marine Conservation Science
 - Marine and Tropical Aquaculture
 - Statistics and Experimental Design

Career outcomes: Aquaculture farmer, hatchery and nursery technician, marine biologist, or marine scientist.

“Nelson’s location really supports my study as it is located close to many aquaculture facilities such as fish farms, hatcheries, and aquatic research labs. The people in Nelson are so nice and welcoming. This is a perfect opportunity for me to learn more about my education and my life.”

Giovanno Adnyana, Indonesia, Diploma in Aquaculture

Civil Engineering

New Zealand Diploma in Engineering (Level 6) (Civil Engineering)	
	Nelson
	February
	2 years
	NZ\$31,545* per year (NZ\$28,545 first year only with NZ\$3,00 Study Grant)
IELTS	6.0

- You will learn:
- Engineering Fundamentals
 - Technical Literacy
 - Materials (Civil)
 - Land Surveying
 - Structures
 - Civil and Structural Drawing
 - Geotechnical Engineering
 - Highway Engineering
 - Engineering Mathematics
 - Hydraulics (Civil)
 - Engineering Project
 - Engineering Management
 - Water and Wastewater Systems

Career outcomes: Graduates from NMIT’s programme have a very high employment rate in the industry.

You can gain employment as an engineering technician including roles working on roads, buildings, or utilities.

“The Civil Engineering programme wasn’t just theory - we were out on site, talking to professionals, seeing how things worked in the real world. It gave us a glimpse into our future careers and opened doors for us to build professional networks. Now that I’m working, I can really see how valuable those connections were. Civil engineering is a technical skill that’s still very much in demand, and getting that early exposure through NMIT gave us a real advantage.”

Susma Gautam, Nepal, New Zealand Diploma in Engineering (Civil Engineering)

70% of New Zealand’s aquaculture production comes from the north of the South Island.

*Refer to page 3 for fees disclaimer. ** Subject to approval.

For details on entry requirements please refer to pages 34 and 35.

Foundation Programmes

If your high school qualification is not high enough to get direct entry to NMIT's bachelor degrees and diplomas, you may be eligible to gain entry to the New Zealand Certificate in Study and Career Preparation. With meeting English entry requirements and successful completion of this one semester qualification you may pathway into further NMIT study.

For entry requirements by country please see page 35.

New Zealand Certificate in Study and Employment Pathways (Level 4)	
	Nelson
	February, July
	19 weeks
	NZ\$11,973*
IELTS	5.5

Focus on the skills you need to learn for your future, whether you want to study nursing, social sciences or other subjects.

Health pathway:

- Nursing

Counselling and Social Work pathway:

- This pathway is only available at the July intake
- Counselling
- Social Work

Please note: Completion of this programme does not exempt the IELTS requirement for the subsequent bachelor programme.

English Language

New Zealand Certificate in English Language (NZCEL) (Level 3-5)	
	Nelson
	February, July
	18 weeks per level
	NZ\$9,014*
IELTS	See below

- Study in the beautiful, sunny Nelson region on the inner city Nelson campus
- Immerse yourself in the friendly local culture

You can take our English classes on their own OR pathway onto further study at NMIT.

Our highly qualified and experienced tutors will help you to improve your English for daily life, work or study. We encourage you to be an active learner inside and outside the classroom.

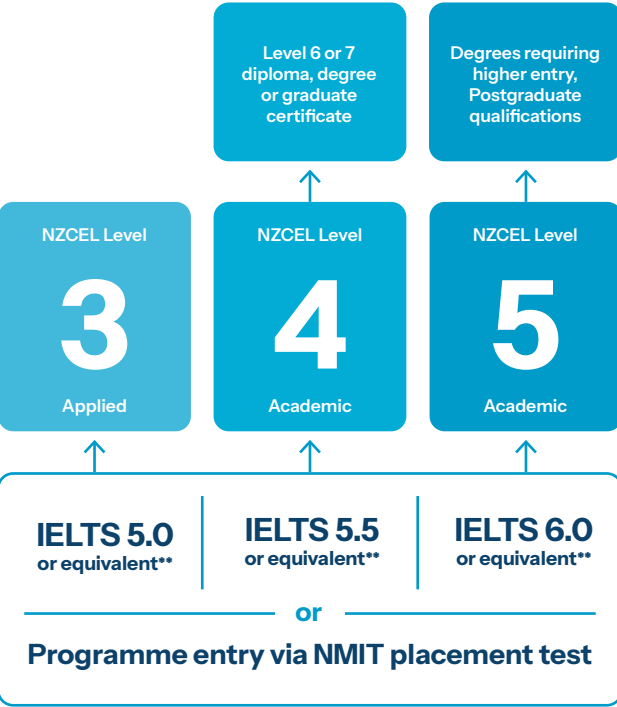

Each certificate level takes 18 weeks and can increase your IELTS score by the equivalent of 0.5.

General English

Learn to communicate with assistance in very basic, familiar, everyday situations to begin to participate in an English language environment.

The tuition fee for General English is NZ\$433 per week.

English Language entry pathways

*Refer to page 3 for fees disclaimer.

**For details on entry requirements please refer to pages 34 and 35.

New Zealand is the **4th** largest space player in the world

New Zealand has **240** space-related companies

*Refer to page 3 for fees disclaimer.

For details on entry requirements please refer to pages 34 and 35.

Arriving in Nelson

Nelson Airport is 8km from the city centre and NMIT's Nelson campus. You can reach the city by bus, taxi, or Uber; we recommend booking your transport before you arrive. For tips on local transport options, visit: students.nmit.ac.nz/arrivals-and-regional-transport

Campus orientation

When you arrive at NMIT, you'll meet a Learner Success Advisor to help you settle into life in Nelson and your studies. They'll provide a campus tour, introduce you to key staff and support services, and help connect you with wellbeing support if needed. You'll also receive a local area orientation, showing you where to find essentials like doctors, pharmacies, banks, supermarkets, and more.

Your orientation session will also cover:

- What to expect in class
- How learning works in New Zealand
- Staying safe and healthy
- Emergency services and New Zealand law
- Connecting with community groups
- Driving regulations and car ownership

For ongoing, non-urgent support, you can contact the International Support team at any time: internationalsupport@nmit.ac.nz.

Admissions and Enrolments Centre

The Information and Enrolment Centre provides centralised processing of applications, enrolments, re-enrolments, insurance, withdrawals, transfers and refunds for students. They can be contacted at international@nmit.ac.nz.

Arriving in Marlborough

Marlborough Airport is located about 7km from the centre of Blenheim.

Find out about getting from or to the airport and bus routes and services available in Marlborough at students.nmit.ac.nz/arrivals-and-regional-transport

Accommodation

The Wellbeing Team can advise on accommodation options for learners in Nelson and Marlborough.

You will need to book with accommodation providers directly, as soon as possible, and preferably several weeks or months before you arrive in NZ.

See students.nmit.ac.nz/accommodation.

Homestay

All accommodation options are subject to availability. NMIT recommends securing accommodation as soon as possible. Nelson's busiest period for accommodation is December-February.

Full homestay – NZ\$400 per week

Half board homestay – NZ\$380 per week

Placement fee – NZ\$365

Airport transfer fee – NZ\$85 each way

In a homestay you can expect to:

- Live with a New Zealand family in your own furnished room and become part of the family
- Improve and practise your English
- Learn new cultural experiences
- Receive breakfast, lunch and dinner every day with full board homestay
- Receive breakfast and dinner every day with half board homestay
- Have WiFi included in your stay.

Homestay families are selected in accordance with The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021.

International students under 18 years of age are required to stay in approved under-18 homestay accommodation. Contact us for more details.

Please note: Homestay accommodation is subject to availability. There is a non-refundable placement fee to all homestay students.

Enquire about securing your homestay via the Host Families NZ website hostfamilies.co.nz.

Rent a room/house

Many students decide to rent a house or room with friends and fellow students. On arrival, the student support team is able to provide you with a list of websites for you to arrange your own accommodation.

The cost of renting a room varies between Nelson and Marlborough. The cost can range from NZ\$200 to NZ\$300 per week, per room plus bills (electricity, telephone, internet and food).

For flatmate accommodation options visit trademe.co.nz/flatmates-wanted

Backpacker hostel and private rooms

NZ\$30 – \$150+ per night

To book these you will need to access their websites directly. The providers require a credit card deposit. NMIT student advisors can advise on suitable providers and the different options available.

Hostel prices vary with location and facilities provided. Some are shared room with shared facilities.

Apartment living

Apartment accommodation options are independently owned and operated.

On-campus Nikau Apartments in Nelson

• **From NZ\$210 – \$320 per week**

Nikau Apartments in Nelson offers:

- One, two, three or four bedroom apartments to share with other students.
- Convenient access to your classes and the Library Learning Centre
- A two minute walk to the city
- Modern, comfortable and student-friendly accommodation
- Your own furnished apartment with a bathroom and a fully equipped kitchen to cook your own food
- Shared power, laundry and internet (costs are additional)
- 14 apartments in three blocks (42 apartments available).

Find out more and book directly online at nikauapartments.co.nz

Please note: Limited availability: It is best book a few months in advance prior to arrival.

Costs and budgeting advice

Before you begin your studies at NMIT, there are some important things you need to know about life as a student in New Zealand.

Working and study

As an international student in New Zealand your visa may allow you to work up to 25 hours a week and full time during the holidays.

The main purpose of a student visa is to allow international students to study full time in New Zealand. However, depending on your study programme you may have an opportunity to work while you study.

Many students find part-time employment in the hospitality and service industries including restaurants, bars and supermarkets.

In New Zealand there are laws to protect workers, and this includes international students. Find out more about your rights and responsibilities working in New Zealand at immigration.govt.nz.

For those eligible to work, the following websites can be very helpful:

- seek.co.nz
- trademe.co.nz
- sjs.co.nz (Student Job Search).

The current adult minimum wage rates (before tax) that apply for employees aged 16 or over are: **NZ\$23.95** an hour, which is **NZ\$598.75** for a 25 hour week, or **NZ\$958** for a 40 hour week, before tax.

Get a discount

With a Student Identity Card, you can get a range of discounts in local businesses from cinema tickets to food and clothes. See saniti.co.nz/discounts

Further support

New Zealand wants to welcome you and make sure you have the resources you need to enjoy your time here. Find out more about Zealand-wide support services at immigration.govt.nz/study and naumainz.studyinnewzealand.govt.nz

Cost comparisons

We have picked a few items to give you an understanding of some day to day costs in New Zealand (approximate costs*):

NZ\$6 Bottle of milk (2 litre)		NZ\$3 Bus fare - airport to Nelson
NZ\$3.00 Petrol per litre		NZ\$15-25 Takeaway meal
NZ\$20 Movie tickets (student price)		NZ\$2.50 Rice 1kg
NZ\$140 Pair of Levi jeans		NZ\$30-45 Going out for dinner
NZ\$8.20 Big Mac		

*These costs are accurate at the time of printing and may fluctuate.

Helpful information

Immigration New Zealand

The type of visa you will receive depends on the duration of your study. Please refer to Immigration New Zealand's website for further information.

Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand, and can be viewed on their website at immigration.govt.nz.

Medical and travel insurance

International students, including groups of students, must have appropriate and current medical and travel insurance while in New Zealand.

NMIT will automatically arrange insurance cover for all students. See insurancesafenz.com/studentsafe/student-safe-inbound-learners

Students may choose their own insurance company, however it must comply with the minimum standards required by The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. If you arrange your own insurance cover, you must supply your Certificate of Insurance and Schedule of Cover, in English, to the Information and Enrolment Centre before the programme start date, email international@nmit.ac.nz. Once the insurance policy is evaluated and confirmed as meeting the minimum standards required by the Code of Practice, the policy taken out by NMIT on behalf of the student will be cancelled with the insurance fees refunded to the student.

Insurance cover must be to the length of your visa.

Code of practice

NMIT is bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies of the Code are available on request from us or www2.nzqa.govt.nz/tertiary/the-code/

Dispute resolution

NMIT is your first point of contact for any complaint you have, including any complaint about the international agents/representatives we use. If a complaint cannot be resolved by NMIT, then the international student Dispute Resolution Scheme (DRS) is a free process for students to resolve any contractual or financial disputes with education providers. The Ministry of Education is responsible for the scheme. Go to www2.nzqa.govt.nz/tertiary/the-code/the-code-for-learners/learner-complaints/

Eligibility for health services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at health.govt.nz.

Accident insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand but you may be liable for all other medical and related costs. Further information can be viewed on the ACC website at acc.co.nz.

2027 Academic year

- **Semester 1:** 15 February 2027
- **Semester 2:** 19 July 2027
- **Semester 3:** 11 October 2027
(Master of Applied Management only)

Note: Some programmes have unique start dates, please refer to your specific programme page at nmit.ac.nz for exact start dates.

International Student Exchange

Complete part of your degree study overseas at one of our partner universities.

Choose to study a Bachelor programme at NMIT and you can study overseas on our Student Exchange programme in your second or third year.

Whilst you are completing part of your degree at an NMIT partner university you will only need to pay your normal NMIT tuition fees.

nmit.ac.nz/student-exchange

“The exchange is a great experience to develop yourself as both an academic and an individual. The skills you will gain, and the things you will learn about yourself will be invaluable.”

Monique Crawford, NMIT student on exchange in Germany

EXCEPTIONS

The English language requirement for certain programmes are higher than what is listed in the above table. For the most up to date English language requirements please refer to the programme page on nmit.ac.nz.

NMIT Programme of study	English Level Score Required
Bachelor of Nursing	IELTS Academic 6.5 (no lower than 6.5 in all subtests) or alternative NZQA English Proficiency Outcome.
Paetahi Tumu Kōrero Bachelor of Counselling	IELTS academic 6.5 (no lower than 6.5 in all subtests); or alternative NZQA English Proficiency Outcome.
Bachelor of Social Work	IELTS academic 6.5 (no lower than 6.5 in all subtests); or TOEFL Internet-based test (iBT) score of 85 or higher with a writing score of 22.
New Zealand Certificate in Aeronautical Engineering	IELTS academic 6.0 (no lower than 5.5 in all subtests); or alternative NZQA English Proficiency Outcome.

Students from the following countries where English is the first language or widely spoken can provide alternative evidence to show they meet English proficiency requirements: Australia, Canada, Denmark, Fiji, Finland, Germany, Ireland, Kiribati, Nauru, Netherlands, New Zealand, Norway, Papua New Guinea, Samoa, Solomon Islands, South Africa, Sweden, Tonga, Tuvalu, United Kingdom, United States, Vanuatu. For more information please visit: nmit.ac.nz/study/apply/entry-requirements

¹ The listed outcomes represent the minimum scores or grades for each test or qualification that qualify a student for enrolment at each programme level. Students with higher scores or grades than required for a particular programme level may still enrol at that level.

² IELTS scores used must be taken from a single IELTS Test Report Form (i.e. combining scores from more than one test is not permissible). However, NMIT will accept the IELTS One Skill Retake.

NOTE: Entry requirements are subject to change. See the NMIT website for the latest entry requirements.

Entry requirements guide

The following table provides general academic entry information for students from different countries. Please note that the information provided is a guideline only and may be subject to change. Minimum grades apply.

Applicants to NMIT’s graduate diploma or postgraduate diploma programmes must have an undergraduate degree in any discipline.

Country	Certificate and Diploma Programmes (Equivalent entry to New Zealand NCEA Level 1 or 2)	Degree Programmes (Equivalent entry to New Zealand NCEA Level 3)
Brazil	Certificado de Ensino Médio.	Successful completion of one year’s tertiary study at a recognised institution.
Canada	Grade 11 Secondary School Diploma (general level).	High School Graduation Diploma or Senior Secondary Graduation Diploma.
