At Head Zone, we encourage a learning environment that prepares our students to excel in a wide range of hairdressing services. Our salon mirrors the atmosphere of a commercial salon to give our training stylists the best preparation for entering the hairdressing industry.

As a training salon, there are a few important considerations to keep in mind when booking an appointment:

- **Time:** As students are learning and perfecting their skills, appointments may take longer than they would at a commercial salon. We appreciate your patience and understanding.
- **Skin patch tests:** For your safety, skin patch tests are compulsory for every colour treatment and must be conducted at least 48 hours prior to your appointment.

This price list is a guide only – prices confirmed during consultation.
