The heart of the city

The Nelson campus location means quick and easy access to the cafés, bars and shopping in Nelson city. You're never far from anywhere - whether it's quality urban time you're after, or a break in one of the many city parks and public spaces nearby. Getting around is a breeze, especially on a bike, or using the public bus system.

Vibrant onsite student life

Our Nelson campus is based on a single city block and is an open and easy to navigate environment.

Enjoy all day service at Cafe Ake Ake, relax with a coffee in our park-like campus grounds, grab a couple of mates for a game of table tennis in the recreation centre or get your blood pumping on the basketball court or AstroTurf sports area.

Services available to the general public

Student and the general public are welcome to make an appointment at Head Zone or Beauty Zone, our on site training salons for Hairdressing and Beauty and Body Therapy. Or book a table at the Rata Room restaurant where you will be served by our Hospitality and Cookery students.
